

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. **CONSTITUTION  
OF  
THE AMERICAN BOOKPLATE SOCIETY**

**(As amended at the regular meeting,  
May first, 1915)**

**ARTICLE I**

**NAME**

**This Society shall be called The American Bookplate Society.**

**ARTICLE II**

**PURPOSE**

**The objects and purposes of this Society shall be to promote good-fellowship among the collectors of bookplates, to hold exhibitions of bookplates, to promote the publication of literature upon the subject, and to coöperate with individuals who may be in any way working to promote the interest or development of this field of art.**

## ARTICLE III

### OFFICERS

The officers of the Society shall be elected on the first Saturday following the first Monday in January and shall hold office for two years. The officers shall consist of a President, a Vice-President, and a Secretary-Treasurer.

## ARTICLE IV

### GOVERNMENT

The affairs of the Society shall be controlled by a Board of Governors elected every two years on the first Saturday following the first Monday in January, all members of which shall be eligible for reelection and to which any member may be elected. The number of the Board shall be six and shall include the officers of the Society.

## ARTICLE V

### MEMBERSHIP

The membership of the Society shall be a limited one of two hundred; comprised of eighteen Charter Members, one hundred and twenty Regular Members, fifty-two Foreign Members, and ten Honorary Members.

The vacancies may be filled by the proposal of any member and the election by a three-quarters vote of the Society, or by the unanimous vote

of the Board of Governors. Honorary Members may be elected to life membership in the Society by the unanimous vote of the members present at a regular meeting.

The initiation fee shall be five dollars (\$5.00), which shall cover the dues for the current year. The annual dues shall be three dollars (\$3.00) per year and payable January first. Any member who shall continue in arrears for two months may be dropped from the rolls without further action.

## ARTICLE VI

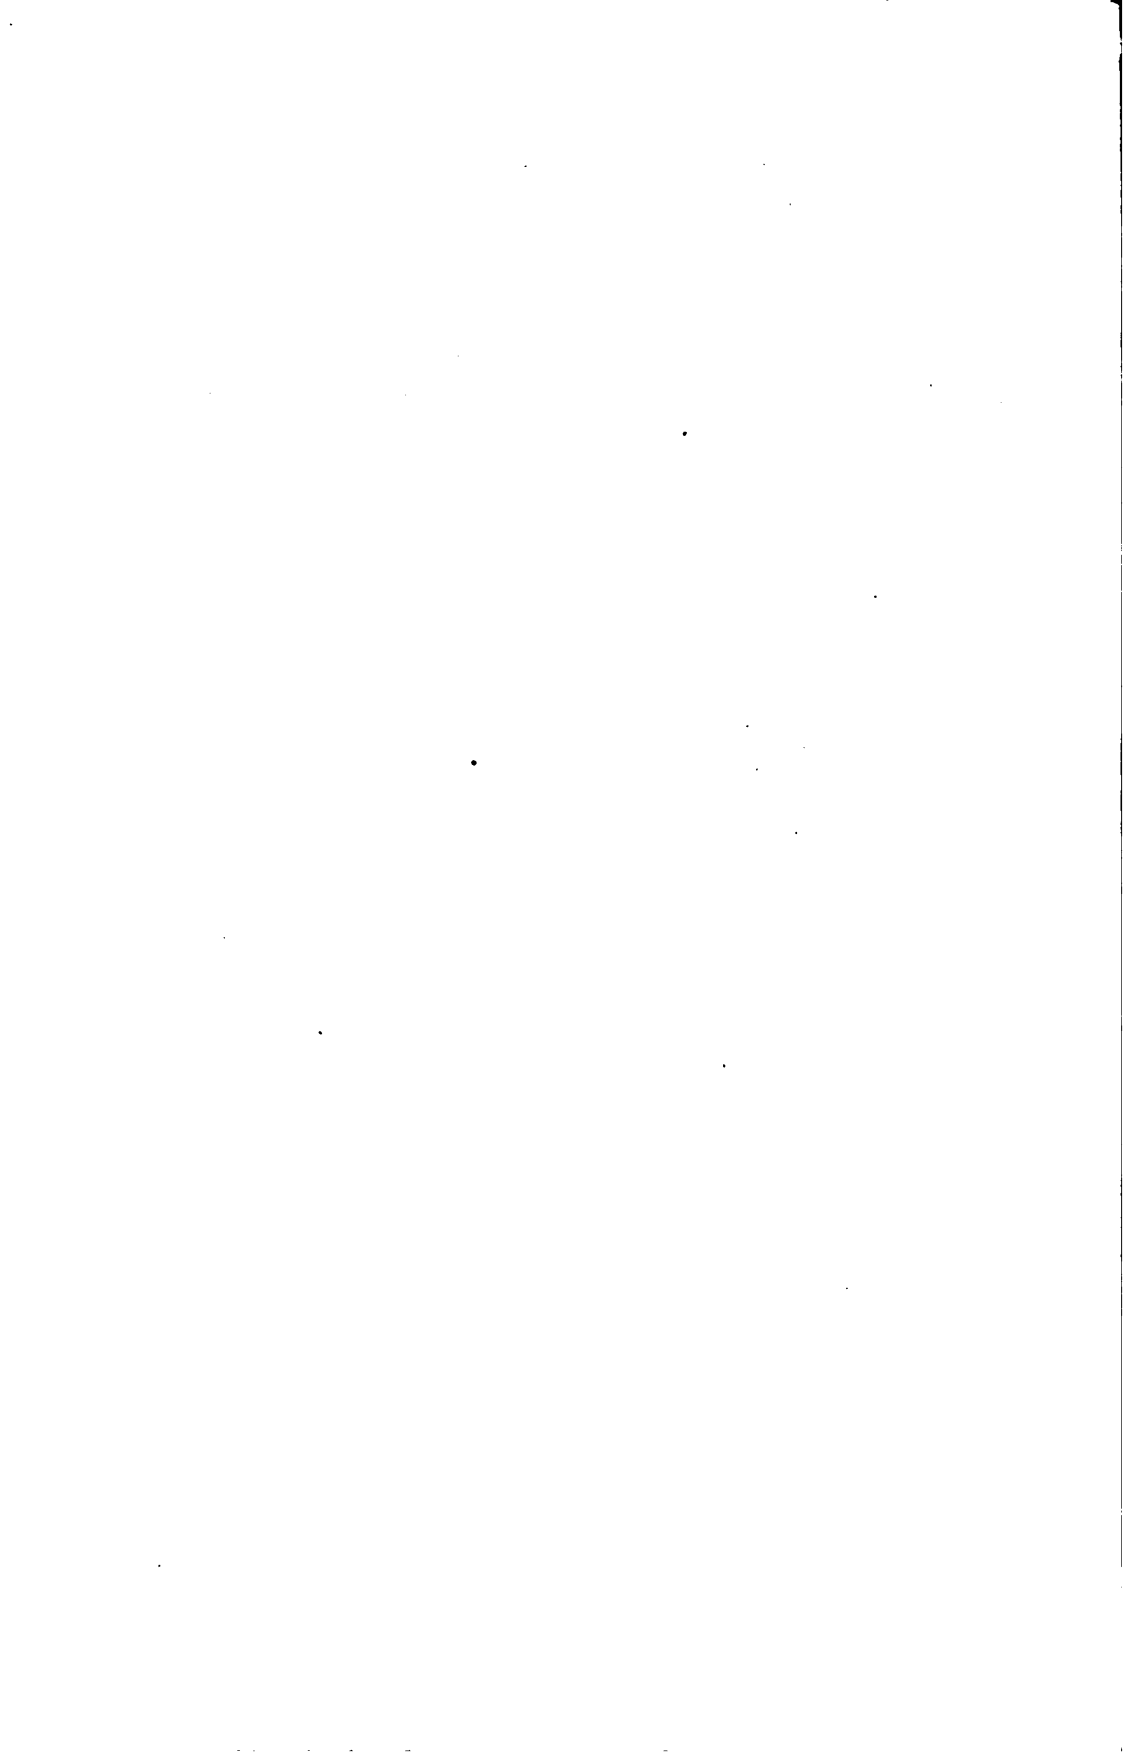

### MEETINGS

Regular meetings shall be held on the first Saturday following the first Monday in January and the first Saturday in May. Special meetings at the request of the Board of Governors may be called when necessary by the Secretary.

## ARTICLE VII

### AMENDMENTS

This Constitution may be amended only by a three-quarters vote at a regular meeting of the Society. The members present at any meeting shall constitute a quorum.

## THE FIRST YEAR BOOK

Since the Year Book has proved a valuable medium to a number of bibliographical and other similar societies, it has been thought that it might be adopted to especially good advantage by a society with such widespread membership as that of The American Bookplate Society.

It is being founded as a part of the Society's program for furthering the art of the modern bookplate. What with the inauguration of the Annual Exhibition and with that of the Year Book, the Society's contribution to the furthering of the art of the bookplate should be not inconsiderable.

The Year Book's format has been chosen with a view to permitting future numbers to be issued in enlarged form from year to year without destroying their general uniformity. We are indebted to Mr. Smith for permission to print the check-list of his bookplates and to the owners of the coppers appearing in illustration for allowing us to embellish our book with them.

Future numbers of the Year Book will be issued earlier in the year and will present more

detailed official reports, etc. Members may be interested in knowing that the Society now has one hundred and fifteen members in good standing. A Treasury report is as follows:
